

# TRAVERTINE

---

New Travertine Series By MDC

*Ideas are inspired.  
Designs are us.*

---

## Travertine Series

---

WALL&FLOOR : MPD6122LC

WALL&FLOOR : MPD6120LC

Travertine is not just a surface to cover floors or walls. It is a quiet presence that creates an atmosphere of harmony and stillness.

"When material and space become one."

## Travertine Series

---

WALL : MPD6121LC 60 x 120 CM  
FLOOR : MPD6120LC 60 x 120 CM.

## Travertine Series

---

Travertine embraces modern living with an elegance that feels effortless. Its matte finish and natural textures balance sophistication with serenity, making every surface more than design—an expression of understated luxury.

## Travertine Series

---

*"Tiles beyond beauty — crafted for mood & style."*

## Travertine Series

---

“True elegance is presence in simplicity.”

Travertine reveals its essence through calm restraint. The matte surface softens light, the gentle veins whisper of nature, and the subtle tone shapes a space that feels intentional, refined, and timeless.

Minimal in form, yet abundant in atmosphere – Travertine is where modern design meets quiet sophistication.
